LAUNCH RAMP, PARKING FACILITY AND BOAT-IN CAMPGROUND

## LAKE CLEMENTINE FACILITIES REOPEN THIS FRIDAY

AUBURN – With a major rehabilitation project completed, the launch ramp, parking facility and boat-in campground at Lake Clementine in the Auburn State Recreation Area will open this Friday, California State Parks officials announced today.

The parking facility has been rehabilitated and improved through a grant from the Department of Boating and Waterways and now provides pull-through parking spaces for vehicles and boat trailers and a paved parking surface. The work also included construction of a wider road to the launch ramp. A maximum number of 25 boats is allowed. Day use hours are 7 a.m. to 9 p.m.

Reservation for the boat-in campground must be made through Reserve America (1-800-444-7275.)
